Alluring Cuffs By AU Finja

Mumbai-based manufacturer AU Finja's new collection of 22 karat gold kadas and cuffs called Annora are defined with varying contours making it a much-cherished possession. The lightweight jewels are elegant and complement any attire – be it western or Indian – effortlessly. Without compromising on the Indian touch, the kadas have a blend of modernity thus embodying both beauty and grace.

A'Star's Wrist Appeal

A'Star unveils its eclectic collection of wrist wear called the 'Wrist Magic' that consists of magnificent cuffs, eye-catching broad bracelets and stylish yellow, pink or white gold stacked bangles.

The versatile collection which is studded with diamonds and gemstones has either minimalist, lacy patterns on its bracelets, or solid designs on its cuffs. Every piece of jewellery is a work of art and looks glamorous.

drop-dead gorgeous that you would want to wear them 24/7. The collection of orange-hued dangles and ear studs is presented by Exquisite Color Kraft Pvt. Ltd, a Jaipur-based company that deals in special cuts of gemstones and fine designer colour stone jewellery.

Exclusive designs are the firm's forte. Each jewellery piece is skilfully handcrafted by the best of artisans and manufactured with high quality control standards.

These stunning ear pendants from the Vintage collection feature carved bi-coloured tourmaline leaves.

The earrings feature moonstone cabochons that create magic in 18 karat gold and diamonds. The jewellery is from the collection Goshwara that is launched at the IJS Signature.

The ear studs set in multi-coloured sapphires, rose cuts, and diamonds in pave setting on black rhodium warmly hug the ear lobes.

These dangles have multi coloured oval cut tourmalines arranged like constellations in 18 karat gold and diamonds.
