## A'STAR JEWELLERY

AStar Jewellery unveils latest design trends for the upcoming season which draw inspiration from nature's beautiful creations.

The collective theme "An Ode to Nature" offers over 100 designs across 5 collections, comprising a wide selection of necklace sets, pendant sets and bracelets.

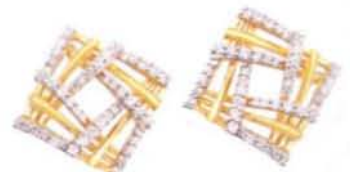

Various elements of nature influence the design aesthetics, exploring organic shapes and forms. Aura captures the shimmering beauty of sunrays; the pink rubies in the Blush collection glorify the enchanting flower; the undulating forms of Aquatica portray the harmony of nature's water bodies; the delicately woven designs of Weaves collection depict the flexibility of cane and lastly the Aamra collection pays homage to the king of fruits, the exotic mango. The collection is available in 18K yellow and white gold studded with diamonds,
