Asian Star Company Limited has always been at the forefront to fulfill its social responsibilities and mobilise aid in the best way possible during times of national calamity. Today, the Company pledges to stand by India and its people, as we face the biggest challenge - the Covid-19 pandemic.

The Company has disbursed close to Rs. 100 lakhs to various national and state-level Funds, NGOs and Charitable Trusts who are actively engaged in Covid-19 relief work.

In response to the Prime Minister's call to corporate India, the Company has donated Rs. 51 lakhs to the PM-CARES Fund.

At a local level, the Company contributed Rs. 11 lakhs to support Rotary Club of Mumbai's "FEED ALL IN NEED" initiative that aims to provide free meals to the homeless and migrant citizens.

A further large contribution was given to Palanpur Samaj Kendra Charitable Trust (PSK); the Company donated Rs. 20 lakhs to PSK Trust who has initiated a unique programme along with doctors of their community to assist Covid patients by providing them with medical facilities such as medical kits, pulse oximeters, oxygen concentrators, etc.

As a responsible organization, Asian Star will continue to extend support over time to aid India to overcome this global health crisis.
