CSR PROJECTS APPROVED BY THE BOARD

Introduction

At Asian Star, we believe that social responsibility is an integral part of our value system, and therefore sharing corporate benefits with society is a necessity. Through our Endeavour's in this direction, we aim to make positive change in areas of education, healthcare, women empowerment, employment, disaster management and environment protection, among others.

ASCL CSR policy framework is developed to take initiatives to assist the society to undertake well-planned initiatives that results in participatory, outcome oriented and measurable overall objective of creating sustainable impact.

"Bahujanahitaya, bahujanasukhaya" - "For the benefit of many, for the happiness of many..."

- *Rigveda*

Improving lives to create a healthier and happier society through social commitments to help and build educated, skilled and sustainable society by supporting processes that lead to sustainable transformation and social integration.

The Company shall undertake any of the projects or programs or activities covered in Schedule VII to the Companies Act, 2013, as amended, or such other projects or programs or activities including new or ongoing projects or programs or activities covered therein as may be notified by the Ministry of Corporate Affairs from time to time as a part of the Corporate Social Responsibility (CSR). The activities mentioned in Schedule VII are considered as illustrative and not exhaustive.
